

Pentathlon/Relay Championships
Grangemouth Stadium Saturday 7th June 2008

Pentathletes should report by 9.30 a.m, for a 10.00 a.m. start. Relay teams should report by noon for an 12.30 p.m. start. Primary relay teams should report by 1.00 p.m. for a 1.30 p.m. start. If withdrawals on the day mean that there are straight finals in any Relay events, then these finals will be run in heat time.

All track events (Pentathlon and Relays except for Primary Relays) will be heated on the day Relay teams will be called to the centre of the arena and given their heat and lane draw by the marksmen.

Schools entering Relay teams must complete the enclosed Relay declaration sheets with names and dates of birth and hand them in when they collect their numbers. Only one runner per team may compete outwith their own age group and only by moving up an age group, not down.

Athletes should provide their own safety pins, for competitors' numbers, to be worn on the front and back of their school, International, or plain vest. Please do not wear club vests.

Standard badges will be awarded to all competitors who equal or better the badge standard. The responsibility of collecting a standard badge is the athlete's.

The adult accompanying the pupils may be asked to officiate, if there is a shortage of officials, on the day

Only athletes and officials are allowed within the Athletic Arena.
