Welcome from The City of Edinburgh Council

On behalf of the City of Edinburgh Council, it is my pleasure to extend a warm welcome to all the athletes, coaches and officials participating in the 2002 Reebok Cross Challenge in Holyrood Park.

As president of the Local Organising Committee preparing to host the 10th SPAR European Cross Country Championships in Edinburgh in 2003, I am delighted that for this event the athletes will be running over the same course and that many of the officials and volunteers involved in 2003 will be on duty today.

The Cross Challenge is one of Scotland's premier athletics events of the winter programme, with many of Britain's top runners participating. The City of Edinburgh Council is delighted to be working in conjunction with Reebok and **scottishathletics** to stage this prestigious event.

I would like to warmly thank Reebok and **scottishathletics** for their continued support and we look forward to some high calibre competition throughout the day.

I would like to take this opportunity of extending my best wishes for the festive season and the New Year to all the competitors, coaches and spectators taking part today and to all those who have worked so hard to make this event possible.

Councillor Steve Cardownie

Executive Member for Culture and Leisure
The City of Edinburgh Council
December 2002

Welcome from Reebok

Welcome to Edinburgh, unless that is you are a local, in which case to all of you, welcome to the Reebok Edinburgh Cross Challenge and what promises to be a great day of Cross Country racing.

This is only the second year that the event has been hosted by Edinburgh, but already it is growing in size and seems to be established in the Scottish calendar. The excellent entry from the local running community has of course been enhanced enormously by the inclusion of the Inter-District fixture, but as Meeting Four in the Reebok Cross Challenge Series, today has also attracted many runners from south of the border.

What Edinburgh offers, as Scotland's capital city is clear for all to see. Apart from the culture and vibrancy, the sporting facilities that the city boasts are excellent, and this combined with a very positive and forward-thinking attitude from the City Council and **scottishathletics** has ensured that this meeting is the perfect preparation for the Local Organising Committee members who have been working hard on the fact that this time next year, Holyrood Park will be hosting the European Cross Country Championships.

Apart from the LOC members, many of whom are amongst us today, our thanks must go in particular to Karen Weiniger and John McDonald at the **scottishathletics** office, and of course to Gavin Lightwood and his team from Edinburgh City Council. Don't forget too, during your time in Holyrood Park today, to thank the many Officials out braving the elements. As I write, who knows what the weather will be like on race day, but it is the Officials who will make sure that everything runs smoothly and on time. To them, a big Thank You from Reebok UK.

It merely remains for me to say Good Luck to all of the Competitors today. I am sure you will enjoy yourselves and have a good day with friends and family as so many have at the previous three meetings so far this winter, in Liverpool, Birmingham and Margate.

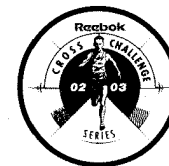

Annette Quarry
Reebok UK

Welcome from scottishathletics

I am delighted to welcome you all to this beautiful setting for today's event. It always is so pleasant to be in such a lovely venue.

There are, as usual, lots of busy people working away behind the scenes as well as on view today to ensure these races take place and run smoothly. I would like to say thank you to the sponsors Reebok and The City of Edinburgh Council for their involvement. Also thanks to the Road and Cross Country Commission, all the staff of **scottishathletics** and all the willing officials and volunteers. Last, but by no means least, a big welcome, good luck and thanks to all the competitors for their participation here today.

Joan M. Watt
President **scottishathletics**

27	Toole, Ross	Kilbarchan AAC
33	Villa, Joe	Sparta NW

The Rules

Points

Cross Challenge points will be awarded in the Senior and Junior men's and Women's events at races 1-6. Double points will be awarded in the Final.

Cross Challenge points will be awarded to those in the Under 13, Under 15 and Under 17 races for both Boys and Girls at races 1-6, with double points in the Final

Senior Men and Senior Women score 50 points for 1st place, down to 1 point for 50th place

Junior Men and Junior Women score 25 points for 1st place, down to 1 point for 25th place

The U13, U15 and U17 age groups score 25 points for 1st place, down to 1 point for 25th place

Bonus points are awarded for competing in each event of the Series: 3 points to every eligible Senior athlete and 2 to every Junior, U17, U15 and U13 athlete for competing at every event in the Series. They must however complete the race to claim these bonus points.

Points and Prize Eligibility

Only UK athletes are allowed to score Cross Challenge points and win Cross Challenge prizes. Additional prizes may be awarded by individual race organisers.

Where non-UK athletes are competing, their position is to be disregarded when calculating Cross Challenge points of UK finishers.

To be eligible for overall Series prizes, athletes in all age groups must run in at least three of the seven races, including the Final.

Each athlete's best two scores from races 1-6 plus the points scored in the Final will decide overall placings. Athletes who do not complete the Final will therefore be ineligible for overall Series prizes.

If two or more athletes have the same points total after the Final, their overall Cross Challenge positions will be decided by their placing in the Final.

Athletes without UK passports must fulfill four criteria:

They must be first claim members of a UK club.

They must have been resident in the UK for at least two years.

They must be in the process of applying for a UK passport.

They must be available for UK team selection.

Prizes and Payments

Prize money is awarded to the first six Seniors and the first three Juniors at races 1-6. This is to be paid by cheque from the relevant payee within 60 days of the Prize Voucher and an Invoice from the relevant athletes, who must give their address along with the Voucher.

Other Prizes (footwear or clothing) at races 1-6 are to be posted by Reebok UK within 60 days of receipt of Prize Voucher from the athletes who must give their address and appropriate sizes along with the Voucher

Overall Series Prizes are to be posted according to the published prize list and to be paid/posted by UK Athletics/Reebok UK as appropriate. These are to be posted within 60 days of receipt of relevant Vouchers and Invoices.

Age Groups

All events in the Series must be run according to IAAF age groups. In particular, this is relevant to Junior athletes, who must compete according to IAAF eligibility. This means for example that where an athlete is 20 at any point in the year of competition, he/she must compete in Senior events.

Athletes who are IAAF Juniors in 2002 but become Seniors in 2003 can compete in Junior races in 2002 and win any prizes due. However, they would not be eligible for overall Series prizes offered to Juniors after the Final in February 2003.

Athletes who are IAAF Juniors in 2002 but become Seniors in 2003 can compete in Senior races in 2002 if they so choose and would therefore be eligible for overall Senior prizes.

Championship Races

Once again, the 2002/2003 Cross Challenge Series incorporates two Championships races – in Margate on 17th November (European Trials) and Nottingham on 8th February (World Trials). For the purpose of point scoring, the Margate race (race 3 in the Series) will remain as for races 1, 2, 4, 5 and 6.

No individual race prizes will be awarded at race 7, the Cross Challenge Final (the UK Inter-Counties Championships/World Trials). The races in the Final serve to decide the overall positions for the Series, with double points being awarded in all relevant categories at this event.

Expenses

The first six athletes in each of the Senior and Junior Men's and Women's races are entitled to receive travel and accommodation expenses up to a total of £50 each. This will only be paid on receipt of tickets/receipts where relevant, or written confirmation that a certain mileage cost was incurred by the athlete's car travel. These monies will be paid soon after the receipt of the Expense Forms which are distributed along with Prize Certificates at each separate event.

NOTES
