MESSAGES OF WELCOME

SCOTTISH ATHLETICS

EAST and WEST DISTRICT TRACK AND FIELD CHAMPIONSHIPS 2007 including THE SCOTTISH SENIOR CLOSED CHAMPIONSHIP

It is a great pleasure to welcome you all to the start of the 2007 Outdoor season. We can be assured of seeing good quality competition and watching the progress of our Scottish athletes.

As usual many people are involved in the next two days, the Track & Field Commission, all the staff of scottishathletics, officials, administrators, all the front of house and back scene staff who work away to ensure we enjoy our sport -many thanks to them all.

Also a big thanks to Glasgow City Council and the staff of Scotstoun for their continuing support, it is much appreciated

We must not forget the very important athletes, coaches and Clubs without whom there would be no District Championships. Good competition, good sport and good luck to all competitors, coaches and Clubs.

Alan Potts
President
Scottish Athletics Ltd

I would like to take this opportunity to welcome everyone athlete, coach, parent, spectator to the first Championship of the 2007 outdoor season - the Scottish West and East District and Closed Senior Championships.

This is an important year for our senior athletes with some concentrating on gaining qualifying performances for the World Championships in Japan in August. Not to be left out our younger athletes are aiming for qualifying performances for the European U23 and U20 Championships in July and the World Youth Championships and European Youth Olympics for U18 athletes.

My thanks go to Glasgow City Council and the management and staff of Scotstoun Stadium for their help and support in preparing this facility for these Championships.

Many thanks also to the officials and volunteers who give up so much of their time to help make these Championships a success especially over a long two days.

Finally, to all competing athletes have a successful and enjoyable two days of competition.

Leslie Roy
Convenor
Track & Field Commission
