PRE EVENT INFORMATION

DATE:

Saturday 14 – Sunday 15 March 2009

VENUE:

English Institute of Sport, Sheffield

TIMETABLE:

The final timetable for the event is below on pages 4-5. Please note there have been some changes from the provisional timetable that was issued to accommodate an increase in entry numbers. Please consult the timetable carefully to see if any of your event times have changed.

ARRIVAL:

Please arrive plenty of time prior to your scheduled start time as all teams will need to accredit before being allowed to enter restricted zones. Please see the accreditation information below or visit www.bucs.org.uk/accreditation09. Please note that accreditation at the EIS will be open on Friday for those people who wish to accredit early.

Competitors can accredit individually however if a team arrives together it would be recommended that one representative can accredit on behalf of all the institution's members.

STUDENT IDENTIFICATION MUST BE PRESENTED FOR ALL TEAM MEMBERS. IF A TEAM MEMBER DOES NOT HAVE HIS/HER STUDENT IDENTIFICATION THEY WILL NOT BE PERMITTED TO COMPETE. NUS WILL NOT BE ACCEPTED.

ATHLETE SUPPORT STAFF (E.G. COACHES, MANAGERS, PHYSIOS)

Accreditation to competition and warm-up areas will be restricted to a maximum of three team support staff per university. Please complete and return the form issued in this edition of Essentials detailing the names of these individuals. There will be some provision to accredit on the day but this will be at the discretion of the accreditation staff and numbers will be limited per institution if demand is high. In order for coaches to accredit on the day they will need to come to the accreditation desk with their athlete.

ENTRIES:

It is the responsibility of each institution to check the below entries (pages 10-22) are correct. Any errors or missing PBs should be reported immediately to vikki.scott@bucs.org.uk.

CHANGING:

Changing facilities will be available. Please do not leave valuable possessions in the changing rooms as you will not have exclusive use of the facilities.

Physiotherapists, doctors and paramedics will be onsite.

CATERING:

The cafeteria at the EIS will be open throughout the event.

SPECTATORS:

Universities are encouraged to invite spectators to the BUCS Championships. Entry is £3.00 per person and this gives access to all 24 sports included in the Championships from 11-15 March 2009. Tickets are not being pre sold and can be bought at any of the Championship venues on the day of competition.

TEAM REGISTRATION, WITHDRAWAL & SUBSTITUTION PROCEDURES:

Team Registration and the Withdrawal and Substitutions Desk is open the following hours

Friday 13 March 2009 – 17.00 – 19.00

Saturday 14 March 2009 – 07.30 – 18.00

Sunday 15 March 2009 – 07.30 – 13.30

Where possible teams are encouraged to register their team, make and withdrawals/substitutions and collect athlete accreditation on Friday evening as it is expected that Saturday morning will be very busy. This is especially important for those with events first thing on Saturday morning.

Registration Procedure:

1. On arrival at the EIS team captains/coaches need to register at the Team Registration Desk and collect their Team Pack which includes competition numbers, copies of the entry lists, relay declaration sheets, withdrawal and substitution forms.
2. Teams that have competitors in the first events on Saturday are required to register no later than **08.30am on Saturday 14 March**.
3. Teams need to register only once. It will be assumed that once an Institution has registered, **ALL** their competitors will participate in every event that they have entered.

PLEASE NOTE - Failure to register will lead to the institution being withdrawn from all events until they have registered.

At least 90 minutes prior to your event:

1. The 90 minute deadline will be judged from the clock on the Withdrawals and Substitutions desk.
2. Alterations to the name of the competitor entered by an institution and listed in the programme for an event may be made **UP TO 90 MINUTES HOUR BEFORE** the event is due to take place.
3. Substitutions can only be made from the list of reserves submitted to BUCS by institutions prior to the Championships (see attached form) or with an individual who has already been entered into another event and is listed elsewhere in the programme.
4. The withdrawal and substitution deadline is **90 MINUTES PRIOR TO THE START OF EACH EVENT**. The captain must complete a withdrawal/substitution form and submit this to the withdrawals and substitutions desk by this time.
5. Withdrawals and substitutions may be made by email to vikki.scott@bucs.org.uk up to midnight on Tuesday 10 March. After this time withdrawals and substitutions must be made in person at the event. It is possible to withdraw or substitute by phone by calling **0114 223 5650** or **07790 155 505** during the Championships when the Withdrawals and Substitutions Desk is open (see above times). The call must be received before the 90 minute deadline. Messages should NOT be left on the mobile answer phone as these will not be accepted.
6. Competitors/Teams failing to advise the Withdrawals and Substitutions Desk of their withdrawal from an event before the 90 minute deadline will be liable to a fine. See below:

OFFENCE	CASH DURING EVENT	LATE PAYMENT
No Show or Late Withdrawal Heat	£10	£15
No Show or Late Withdrawal Final	£15	£25

CHAMPIONSHIP TIMETABLE:

The Meeting Director reserves the right to amend the programme provided that sufficient advance warning is given to competitors. Please note that to accommodate an increase in entry numbers some of the start times have changed from the provisional timetable issued and the order of some of the events has also changed. Where an event has changed in order from the provisional timetable it is marked in red. It has also been necessary to introduce HJ and SP qualifying rounds. Please consult this timetable carefully.

COMPETITOR INFORMATION:

REPORTING:

All competitors must report to the marshalling area at least 10 minutes before their event is due to start wearing their correct competition numbers as detailed in the entry lists. The responsibility of being on the mark at the time specified in the programme, after being called by the stewards, lies entirely with the competitor. In the case of field events competitors will be permitted to enter 30 minutes before the start of the event to report to the Chief Judge for that event, provided the area is available.

SEEDING:

Competitors should note that the lane draw for HEATS (Round 1) is RANDOM and based upon Personal Best information. Thereafter seeding will occur based upon performance from the previous round. Information on the lane draws/pool grouping for each event will be posted on the results board after the 90 minute withdrawal and substitution deadline has passed and the start sheets have been printed.

WITHDRAWALS:

Once an athlete has qualified for a subsequent round of a particular event they are not permitted to opt out of that event and continue to compete in the Championships, whether it is on day one or day two. This applies to both the track and field competitions. The track referee can prevent a competitor competing on the track if the competitor has opted out of a field event in which he/she has qualified for a subsequent round. The field referee has the same powers to exclude from a field event an athlete if he/she has opted out of a track event [UKA Reg 115(3)].

COMPETITION NUMBERS:

Each competitor must wear a number corresponding with his/her Institution number as detailed on the entry lists. All competitors, with the exception of High Jump and Pole Vault competitors must wear two numbers, one front and one back. In the relays all runners must wear the same number – the lowest of their two institution numbers.

OPENING HEIGHTS & QUALIFICATION:

The following starting heights and qualification heights/distances will be in place:

	Starting	Qualification
HJ Men	1.60m	2.10m
HJ Women	1.35m	1.65m
PV Men	2.40m	4.40m
PV Women	1.90m	3.00m
TJ Men		14.00m
TJ Women		11.50m
LJ Men		7.20m
LJ Women		5.70m
SP Men		13.50m
SP Women		11.50m

RELAY TEAMS:

Teams of up to 6 athletes must be declared on the Relay Declaration forms provided. Any four athletes from these nominated 6 may run at any stage of the relay competition. Relay runners must be on the original entry list or reserve list. Only one relay per Institution can take part.

EQUIPMENT:

Shot Put – Shot Puts will be provided. Competitors may only use their own implements by arrangement with the Field Referee, to whom they should report not less than one hour before the respective event. All personal equipment must be weighed and measured. Such personal equipment is not available for use by other athletes without the permission of the owner.

Vaulting Poles - will not be supplied for the pole vault.

Starting Blocks - Competitors are only permitted to use the stadium starting blocks.

Spikes - The maximum spike length allowed is 6mm, spot checks may occur. Spiked shoes must not be worn outside of the Athletic Arena.

Numbers - Numbers should not be reduced in size through cutting or folding

WARMING UP:

All warming up must be done away from the track. Athletes should use the long sprint straight at the rear of the hall to warm up

DRUG TESTING:

Drug testing may take place at these Championships.

CAPTAINS MEETING:

The Captains' Meeting will take place on Sunday 15 March. Please listen for announcements regarding a time and venue. Items for an agenda for this meeting are welcome and should be emailed to vikki.scott@bucs.org.uk.

MEDALS & TEAM SCORING:

Medals will be awarded to the top three finishers in each event. Presentations will take place during the meeting and medal winners are asked to listen to announcements and proceed to the medal presentation area when required. Team Points will be awarded for the first 8 finishers in an event. BUCS points will be awarded to the first four finishers.

ACCREDITATION:

An accreditation system will be in place at this year's BUCS Championships. Accreditation will be used to ensure that only competitors have access to competition areas within a venue. For many sports, competitors will also need to produce certain sports specific documentation to obtain accreditation. Once an individual has received a pass it must be worn at all times.

Please visit www.bucs.org.uk/accreditation09 for a full detailed explanation of the accreditation system at the BUCS Championships or see the attached document.

Competitors will also be able to collect an exclusive Nike competitors' t-shirt (Coaches will NOT receive a t-shirt) at the Accreditation Hubs as well as an event programme containing offers and discounts from our partners

IF ANY MEMBER OF A TEAM OR INDIVIDUAL SPORT DOES NOT PROVIDE THE RELEVANT DOCUMENTATION THEY WILL NOT BE ABLE TO COMPETE AND WILL ONLY BE ABLE TO ENTER THE VENUES AS A SPECTATOR. THERE WILL BE NO EXCEPTIONS MADE TO THIS RULE.

On successfully accrediting, each competitor and team support staff member will receive an accreditation pass which must be worn at all times. Accreditation will generally allow competitors and team staff to access changing rooms, the competition areas, warm up areas, and medical areas.

Accreditation will also allow competitors and team staff to enter all other venues free of charge in order to spectate in designated areas.

Please bear in mind that whilst every endeavour will be made to make accreditation a quick process, at key times it could be busy and therefore may take some time. It is advised that teams and individuals should allow adequate time to ensure all relevant people can pass through accreditation in time for their matches/events. There will be no opportunity to circumvent this accreditation procedure.

NO ACCREDITATION, NO COMPETITION.

LOST PASSES

If an athlete or support staff loses his/her accreditation pass there will be a £5.00 charge for a replacement pass.

SPONSORS

At Nike, serving the athlete has always been at the forefront of everything we do. Be it through providing innovative, technical products or supporting development and raising their profile, we strive to make a positive impact and enhance their game – whatever it might be. Our co-founder Bill Bowerman famously said, "If you have a body – you are an athlete" and we apply this philosophy at every possible instance.

We therefore recognise the significance of participation in sport at all levels, from grass roots right through to the pinnacle of international competition, and the universities with BUCS in particular, play a fundamental part in nurturing this performance and development. We are sure that a consistent level of support in this system will also see us attribute to great success in the 2012 London Olympics. A prime example of our investment can be seen recently in a Nikewomen campaign to scour the UK and Ireland's top universities to find ambitious and inspirational young women who are passionate about sport and live their lives with the strength and confidence it gives them.

The chosen few have become part of Nike Selects – working with Nike to embody the spirit of Nikewomen on campus and share their love for sport with the wider world. For more information please visit www.Nikewomen.com.

Who is Right To Play?

Right To Play is an international humanitarian organization that uses sport and play as a tool for development of children and youth in the most disadvantaged areas of the world. We work with over 700,000 children twice a week, in over 23 countries throughout Africa, Asia, and the Middle East. We have a number of Athlete ambassadors, like Andy Murray, Lance Armstrong, and Frank Lampard, which we use as a source of inspiration for the children we work with.

What does Right To Play do?

Right To Play uses sport and play programs to promote opportunities for development, teach life skills and health education and build stronger, more peaceful communities. To do this, Right To Play trains local Coaches to run programs thereby creating the foundation in a community for regular and long-term sport and play programming and for individual and community leadership. Right To Play also uses sport and play to mobilise and educate communities around key health issues to support national health objectives, in particular HIV and AIDS prevention and awareness and vaccination campaigns.

What can you expect from Right To Play @ the Championships?

Right To Play will have two main stands at the Championships; one at Ponds Forge, and a second at the EISS.
