#### Notes

Unfortunately the one negative point about this otherwise excellent venue is that none of the wind guages worked. Therefore, there are no wind speeds for the sprints or the horizontal jumps. All of the sprints were run into a head wind, while all of the horizontal jumps had a following wind.

Cole Milne (U20) of Corstorphine competed in 6 events but the League and UK Athletics limit for U20 athletes is 5 events, therefore Corstorphine are penalised the 6 points for his final event the 4x400m relay.

DQ 162.8 is a false start
